DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 5th April 1940.

Third Forecast of the Wheat Crop of Bengal, 1939-40.

(*Note.*—On an average of the five years ending 1937-38, the area under wheat in Bengal has represented some 0·4 per cent. of the total area under wheat in India. The ratio of the irrigated wheat acreage to total wheat acreage in (*a*) British India and (*b*) in the territory now reported on, has, in the five years ending 1937-38, averaged (*a*) 42·7 and (*b*) 8·8 per cent. respectively.)

Character of the season.—As reported in the second forecast the effects of weather on the crop continued to be unfavourable particularly in the main wheat growing districts of Nadia, Murshidabad and Malda. Some damage was also caused by hailstorm and heavy showers in Malda.

Acreage.—According to the estimates of the District Officers, the total area sown comes to 177,000 acres this year as against 174,000 acres both in the corresponding and final forecasts of last year.

Outturn.—The average provincial outturn as worked out from the district estimates is 74 per cent. as against 73 and 72 per cents., respectively, in the corresponding and final forecasts of last year.

Taking the normal yield to be 9 3/5 maunds per acre, the gross yield of the crop for the province is estimated at 46,200 tons as against 44,800 tons and 43,800 tons, respectively, in the corresponding and final forecasts of last year.

(2) That the prize of Rs. 45 be given for an essay to be written either in Bengali or Sanskrit.

(3) That the essays be sent to the Provincial Text-book Committee for adjudication within six months of the date of advertisement.

(4) That each essay be accompanied by a written declaration from the husband, parent or guardian of the competitor that, to the best of his belief, she has received no assistance of any kind, direct or indirect, in writing the essay.

Candidates are requested to send their essays to the Secretary to the Provincial Text-book Committee, Writers' Buildings, Block No. 1, Calcutta. The envelope containing the essay should be superscribed "Brajamohan Dutt's Prize Essay." The name of the successful competitor will be published in the *Calcutta Gazette.*

A lady who wins the prize in any year is not debarred from subsequent competition, and if the essay submitted by a competitor who has been previously successful is adjudged to be the best, the name of such a competitor will be published in the Gazette as the winner of the competition. The actual prize will, however, in these circumstances, be awarded to the competitor whose essay is adjudged to stand next in order of merit, provided that her essay comes up to the standard required by the next clause.

If none of the essays comes up to a standard which is, in the opinion of the Examiners, adequate, no prize will be awarded.

Bills introduced in the Council of State and Legislative Assembly; Reports of Select Committees presented to the Council and Assembly; and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 2nd April 1940:—

L. A. BILL No. 28 OF 1940.

A Bill further to amend the Indian Railways Act, 1890, for certain purposes.

WHEREAS it is expedient further to amend the Indian Railways Act, 1890, for the purposes hereinafter appearing; It is hereby enacted as follows:— IX of 1890.

1. This Act may be called the Indian Railways (Amendment) Act, 1940.

Insertion of new section 135A, in Act IX of 1890.

2. After section 135 of the Indian Railways Act, 1890, the following section shall be inserted, namely:— IX of 1890.

Taxation of railway servants by local authorities.

"135A. A railway servant holding an appointment in the ranks (superior or inferior) of non-gazetted establishment of a railway shall not be liable to pay any tax on circumstances and property, while ordinarily residing or carrying on business in the railway, in aid of the funds of any local authority:

Provided that such railway servant has no other means on circumstances and property than the service under the railway, and that the burden of proof of such other means for the assessment of any tax in aid of the funds of any local authority shall be on the local authority."

Retrospective effect.

3. This Act shall have retrospective effect.

STATEMENT OF OBJECTS AND REASONS.

The Indian Railways Act, 1890, came into force on the 1st day of May, 1890, and the Schedule Taxes Rules were published in December, 1920, under which the local authorities were empowered to levy a tax on buildings, trades, professions, callings and in return for services rendered. The Secretary, Railway Board, in a letter No. 62-F./17, dated the 5th June, 1922, exempted all subordinate staff of railways, irrespective of their pay, from payment of all taxes (except electric power lighting charges) whether the services are rendered by the railway or by a municipality. But the Local Self-Government Department of the United Provinces held that the liability of railway employees to circumstances and property tax levied by District Boards is not affected by the said exemption. Consequently the District Boards have imposed that tax by assessing the remunerations of a railway employee paid for the service under the railway, which is in fact nothing less than an income-tax in disguise. The anomaly has caused great confusion, harassment and hardship. Thus legislation is considered necessary.

II. These rules shall come into force with effect from the 1st July 1940:—

Rules.

1. (*1*) Potable foreign liquors other than wines and fermented liquors shall not be—

(*a*) compounded, blended or reduced, or

(*b*) bottled,

except under a license granted in this behalf by the Collector.

(*2*) Licenses under clauses (*a*) and (*b*) of sub-rule (*1*) shall not be granted except to persons holding a wholesale license for the sale of foreign liquor.

2. Potable foreign liquor other than wines and fermented liquors shall not be compounded, blended, reduced or bottled, except in the presence of an Excise officer and in a bonded foreign liquor warehouse or, in the case of duty paid liquor, in a godown approved in the manner provided for in these rules.

3. The Excise Commissioner shall decide what excise staff is necessary for the proper supervision of the operations carried on in each warehouse or godown under rule 2. The licensee shall pay to the Provincial Government at the end of each calendar month such fees as may be determined from time to time by the Excise Commissioner. These fees shall be in addition to any other fees payable under the Bengal Excise Act, 1909, and shall not exceed in amount the whole of the cost of the excise staff employed for the purposes of this rule.

4. (*1*) A person holding a license for the sale of foreign liquor to the trade when applying for a license under clause (*a*) or clause (*b*) of sub-rule (*1*) of rule 1 shall furnish the following particulars, namely:—

(*a*) the place at which and the premises in which the operation or operations referred to in the said sub-rule will be carried on;
(*b*) the nature of the operations to be carried on;
(*c*) the approximate number of days in a week or month for which the operation or operations will be carried on.

Such person shall also submit a detailed plan of the warehouse or godown showing therein the different rooms or compartments and all the permanent fixtures. The plan shall be submitted in triplicate in the case of a warehouse and in duplicate in the case of a non-bonded godown.

(*2*) The Collector, if he is satisfied on inquiry that the applicant is a fit person to hold the required license and the premises in which such person proposes to carry on the operation or operations are suitable, shall grant the license to such person with the previous approval of the Excise Commissioner.

(*3*) No addition or alterations within such warehouse or godown shall be made without the previous approval of the Collector obtained in writing.

5. (*1*) The approved godown shall consist of at least one room for the storage of foreign liquor and the carrying on of the operations referred to in sub-rule (*1*) of rule 1. The bonded foreign liquor warehouse shall consist of at least two rooms or compartments, one for the storage of spirit in bulk and the carrying on of the said operations, and another for the storage of finished products. All the rooms or compartments in the warehouse or godown shall be well ventilated and have their grilles embedded in cement. The windows shall be securely barred with the bars embedded in cement and they shall be wire-netted, the net having a mesh of not more than one inch. Every room or compartment shall bear on the outside a board on which shall be legibly painted in oil colour the name of the room or compartment. The warehouse or godown as well as each of the rooms and compartments therein shall remain under separate locks and keys of the licensee and the Excise officer in charge.

(*2*) The licensee shall provide suitable office accommodation with sanitary arrangements for the Excise officer in charge within the warehouse or godown and also supply such furniture and other articles for his use as may be considered indispensable by the Collector.

(*3*) Smoking and the use of naked lights or fires within the warehouse or godown are prohibited.

6. The Provincial Government shall not be held responsible for any loss or damage by theft, fire or any other cause whatsoever occurring to any spirit in the warehouse or godown.

7. For each day's operation or operations a 72 hours' previous notice (exclusive of Sundays and holidays) shall be given by the licensee to the Collector if there be not a wholetime Excise officer attached to the warehouse or godown.

8. (*1*) All colouring and flavouring substances to be used by the licensee shall be kept in the warehouse or godown and no such substance shall be used unless the Chemical Examiner to the Government of Bengal has examined a sample thereof and approved the same as suitable for the compounding of foreign liquor:

Provided that if any such substance manufactured by a reputed firm is brought into the warehouse or godown and kept there with the original labels and capsules intact, it shall be required to be examined under this sub-rule only once a year.

(2) A fee of Rs. 2 shall be payable by the licensee for examination of each sample under sub-rule (1).

9. Only pure filtered water shall be used for the purpose of reduction of foreign liquor from a higher to a lower strength.

10. In the process of compounding and blending of brandy, whisky, gin and rum in Bengal, no spirit except (*i*) British spirit, (*ii*) Indian-made spirit, (*iii*) Scotch whisky and (*iv*) French brandy shall be used.

Explanations.—(*a*) British spirit means spirit manufactured in a licensed distillery in Great Britain.

(*b*) Indian-made spirit means plain spirit manufactured in a distillery in India under the supervision of Government of a strength not less than 40 O.P. and includes Indian-made foreign liquor.

(*c*) Scotch whisky means spirit obtained by distillation in Scotland from a mash of cereal grains saccharified by the diastase of malt and matured in a bonded warehouse in casks for a period of at least three years.

(*d*) French brandy means brandy made from grapes in France and imported into Bengal in its original condition.

11. (*1*) Foreign liquor to be bottled or used for blending shall be transported in bulk under cover of a pass or challan from a Custom House, a distillery or bonded warehouse direct to the licensed warehouse or godown, and every receptacle containing such liquor shall bear a label showing clearly the name and the strength of the liquor, the place of manufacture, and the date of removal from the Custom House, distillery or bonded warehouse as the case may be:

Provided that the licensee may, for the purpose of blending, bring into his licensed warehouse direct from his licensed wholesale business premises under a pass (issued by himself) bottled foreign liquor with capsules or seals intact.

(2) Foreign liquor on which Customs duty has been paid may be used for blending with Indian-made spirit in a bonded warehouse. In such case the liquor shall be stored separately and shall not be used until the proportion in which it is to be added has been approved by the Collector. No excise duty shall be levied on the quantity of imported duty paid foreign liquor contained in a blend of such liquor with Indian-made spirit.

12. Foreign liquor shall not be compounded, blended, reduced or bottled before an account of its strength and quantity has been taken by the Excise officer in charge of the warehouse or godown. The whole of the contents of a cask, where casks are used, shall be bottled in one operation. As soon as the bottling is over the officer in charge shall ascertain the quantity bottled and adjust his accounts by writing off ullage and wastage.

13. The bottles to be used for the purpose of bottling the foreign liquor shall be properly cleansed and washed first with a solution of potassium permanganate and then with pure water. They shall finally be rinsed with a quantity of the liquor to be bottled.

14. In a bonded warehouse the licensee shall supply one quart bottle of each batch, free of cost, to the Excise officer in charge for analysis and declaration of true strength and obscuration by the Chemical Examiner to the Government of Bengal. No issues shall be given from the bond until the receipt of the Chemical Examiner's report. When the bottling operation is carried on in an approved godown no whisky, brandy and rum shall be bottled at a strength less than 25 U.P. and gin at a strength less than 35 U.P. as indicated by the hydrometer. Samples for analysis shall be supplied free of cost to the Excise officer in charge of the approved godown whenever necessary.

15. Immediately after the bottles have been filled up they shall be corked, capsuled and labelled and removed to the store room for bottled liquor. A distinctive serial number to be known as the batch number

shall be assigned to each bottling operation and the number shall be noted on the label. The capsule, if it is metallic, shall be firmly fixed in position by a capsuling machine or any other suitable appliance; if on paper, it shall be gummed over the cork and the neck of the bottle. The capsule shall have inscriptions showing only the name of the manufacturer or the brand or both.

16. Bottles shall be packed as soon as a bottling operation is finished. Each package shall contain a dozen or a multiple of a dozen of quarts or pints and the bottles in each package shall be of uniform size. The Excise officer in charge shall satisfy himself that the proper number of bottles are placed in each case and shall see that the packed cases are closed at once and fastened.

17. After each bottling operation the premises shall be cleansed to the satisfaction of the Excise officer in charge.

18. The licensee shall remove all bottled liquor from an approved godown within three months after it is bottled. No liquor shall be removed from a warehouse or a godown except under a pass granted by the Excise officer in charge.

19. Correct accounts of all liquors and colouring and flavouring substances in the warehouse or godown shall be maintained by the licensee in such form as may be prescribed by the Excise Commissioner. The accounts shall remain in the custody of the Excise officer in charge who shall check them at the end of each day's work.

20. Rules 5, 8, 9, 10 (*6*), 11, 12 and 32 of the rules made under section 86 of the Bengal Excise Act, 1909 (Bengal Act V of 1909), and published with notification No. 601S.R., dated the 30th March 1915, as subsequently amended, relating to distilleries and warehouses, shall apply *mutatis mutandis* to all bonded warehouses and approved godowns for the compounding, blending and bottling of foreign liquor.

Appeals to the Federal Court.

1. Subject to the provisions of section 205 of the Government of India Act, 1935, Order XLV of the Civil Procedure Code and Rules framed by the Federal Court contained in the Appendix* to this Chapter, the following rules shall govern the procedure in appeals to the Federal Court.

2. For purposes of these rules appeals to the Federal Court shall be classified into two categories, viz.:—

A. Appeals in which the only ground of appeal stated in the petition is that a question of law as to the interpretation of the Government of India Act, 1935, or an Order in Council made thereunder, has been wrongly decided; and

B. Appeals in which, in addition to the above ground, leave to appeal is sought on any ground on which the party could have appealed without special leave to His Majesty in Council, if no certificate under section 205(*1*) of the Government of India Act, 1935, had been granted.

3. The provisions of Chapter IV shall apply, so far as may be, to petitions under Order XLV, rule 2, Civil Procedure Code.

4. Matters connected with appeals to the Federal Court, other than those with which the Registrar is authorised to deal, shall ordinarily be heard at such time as the Division Court appointed to deal with such matters shall fix.

5. Matters relating to (1) service of notices or other processes; (2) substitution of parties and appointment or discharge of next friends or guardians *ad litem* of minors or persons of unsound mind, before the

admission of an appeal; (3) preparation of Paper Books; (4) return of documents, and (5) matters not expressly required to be laid before the Division Court for orders, shall be dealt with and disposed of by the Registrar.

6. In all applications regarding matters connected with Class B appeals to the Federal Court, including petitions under rule 2, Order XLV, Civil Procedure Code, notice of the application shall be given by the applicant or his Advocate by delivering to the proper person (ordinarily the Advocate for the appearing opposite party) a copy of the petition accompanied by a notice in the following form:

"Take notice that this application will be filed with the proper officer of the Court and that you are required to attend and show cause against the application at the hearing if you desire to do so:"

Provided that no notice under this rule shall be required in the case of an application for an order (1) to transmit orders of the Federal Court for execution to the lower court where no special directions are required, (2) to transmit securities to the muffasil courts for investigation as to their sufficiency, and (3) for refund of surplus deposits made for the purpose of repairing translations, manuscript, etc., which may in ordinary circumstances be dealt with and disposed of by the Registrar without notice to the opposite party other than their inclusion in the Daily List.

7. All applications relating to appeals to the Federal Court, other than an application under Order XLV, rule 2 of the Civil Procedure Code, shall be set down in a list in the order in which they are filed. The applications on the list will be called peremptorily in their turn and if by the fault of the applicant, any application cannot be proceeded with it will be liable to be dismissed for default.

8. Every petition under Order XLV, rule 2, Civil Procedure Code, shall be presented to the Stamp Reporter. Such petition shall be accompanied by—

(*1*) a court-fee of Rs. 16 for drawing up an estimate of the expense of preparing and forwarding to the Registrar of the Federal Court the record of the case;

(*2*) certified copies of the judgment and decree, or order complained of, and of the certificate granted under section 205(*1*) of the Government of India Act, 1935, where such certificate does not form part of the judgment or order complained of; and

(*3*) in the case of Class B appeals—

(*i*) the fee for the issue of the notice of the application under Order XLV, rule 2, Civil Procedure Code, to all the respondents who did not enter appearance in the High Court at the hearing of the appeal;

(*ii*) forms of notices to all respondents duly filled up in the manner prescribed in rule 14;

(*iii*) a certificate that the notice of the petition has been served upon the appearing opposite parties in accordance with rule 5 above.

Note.—A petition presented without a copy of the decree or order appealed from and of the certificate under section 205(*1*) of the Government of India Act, 1935, shall forthwith be returned to the Advocate or party presenting it, who shall refile it with the requisite copy, within the period of limitation, and in case it is refiled after the period of limitation, it shall not be accepted without an order of the Division Court.

9. If the Stamp Reporter finds that the petition is barred by limitation he shall forthwith lay the same before the Court for orders. If it is filed within the prescribed period of limitation he shall lay it before the Registrar with a report whether it has been filed in accordance with the rules of the High Court and whether the stamps filed therewith are sufficient.

10. (*1*) Upon receipt of such petition with the Stamp Reporter's report, the Registrar shall, in case the petition is not in proper form or is not accompanied by the requisite court-fee stamps, fix a period within which the additional fees may be paid or within which the petition may be amended, or lay the same before the Court for orders.

(2) If such petition is sufficiently stamped and complies with the provisions of the rules, he shall, upon receipt of such petition, in the case of Class A appeals place the petition before the Court for orders of admission as soon as the necessary deposit under Order XLV, rule 7, Civil Procedure Code, has been made and, in the case of Class B appeals, direct notice to be served on all the opposite parties.

(3) Such notice shall call upon the opposite party to show cause why the certificates should not be granted.

(4) As soon as the Registrar has directed notices to issue under sub-rule (2) such notices shall be served, those to be served on opposite parties who appeared at the hearing of the case before the High Court being served upon the Advocate or Advocates who appeared for such opposite parties.

11. (1) Where more than one such application is made by the same party at the same time relating to decrees or final orders made in pursuance of the same judgment and only one record is required to be printed, the Registrar may, upon a proper stamped application made in that behalf, order that only one court-fee of Rs. 16 be paid, or that one certified copy of the judgment be accepted, or may refer the matter to the Court for orders.

(2) Save in exceptional cases the Registrar may direct that petitions relating to decrees or final orders made in pursuance of the same judgment be put up for hearing together.

12. A notice which it is necessary to serve under these rules or under Order XLV, rule 3 or rule 8, Civil Procedure Code, may be served in the manner provided by the Code for the service of notices, or, unless the Court or the Registrar otherwise directs, upon any Advocate who appeared for the party to whom notice is to be given in the appeal to this Court, unless the Vakalatnama of such Advocate has been cancelled with the sanction of the Court. If there is no Advocate upon whom notice can be served, then, unless the Registrar shall otherwise direct, the notice must be served upon the party in Calcutta through the Sheriff, or in the mufassil through the proper court in the district in which such notice is to be served, on payment of the usual fee. The fee for the issue of the notice must be paid into Court at the time of filing the application, or within such extended time as the Registrar may upon a stamped application being made to him, allow. Such payment is to be made by stamps affixed to the notice intended to be served.

13. Notices under the proviso to rule 9A of Order XLV, Civil Procedure Code, may be issued in the manner prescribed in the said proviso to the legal representatives of the deceased respondent or opposite party in question without specifying such legal representatives by name.

14. (1) With the fee for the issue of the notice the applicant shall also file printed forms of such notice duly filled up in the prescribed form (see Forms Nos. 25 and 26 (Civil), page 196, Appendix I), the date of appearance and the date of the notice being left blank.

(2) The information entered in the form must be filled up in the vernacular (or in English if the party to be served is a European British subject or a resident of Calcutta) in a bold, clear and easily legible handwriting.

(3) The date fixed for the hearing of an application will be inserted in the form and the notice will be dated in the office of the Court before it is signed.

(4) The necessary number of printed forms of notice in the prescribed form will be supplied to applicants or their Advocates free of cost, on application to the Forms Clerk.

(5) The Registrar may, in his discretion, direct in any particular case that the forms of notice be entirely filled up in the office of the Court.

15. The date fixed for the hearing of the application shall be regulated by the time-table prescribed in rule 46, Chapter V.

16. As soon as it shall appear that the notices of the petition under Order XLV, rule 2, Civil Procedure Code, have been duly served upon all the respondents, the petition shall be laid before the Division Court for orders under Order XLV, rule 3(1), Civil Procedure Code.

17. On the receipt of a report from the court of first instance under Order XLV, rule 5, Civil Procedure Code, as to the amount or value of the subject-matter of the suit and of the proposed appeal, notice shall

forthwith be given to the applicant and to the appearing respondents, and any party objecting to the report shall, within seven days from the date of the notice, file his objections, if any, and also serve a copy thereof on the other side. The case shall thereupon be laid before the Court for orders without delay.

18. Where a certificate has been granted under section 205 (*1*) of the Government of India Act, 1935, the record of the case shall, subject to any special orders, be detained for the period prescribed under rule 2 of Order IX of the Federal Court Rules. Where, however, such record has been returned to the lower court it shall be called for immediately upon receipt of the petition of appeal under rule 2 of Order XLV, Civil Procedure Code.

19. The Advocate for the parties shall be notified of the arrival of such record as soon as it is received in the office of the Court, or of the fact that the record is available in the Court's office immediately upon receipt of the petition of appeal.

20. Whenever it shall be impossible for the lower court to comply with the requisition within the time stated, such court shall report the reason of its inability, and shall ask for such further time as may be necessary.

21. (*1*) In the case of Class A appeals, as soon as possible, after the petition under rule 2, Order XLV, Civil Procedure Code, has been registered and in the case of Class B appeals immediately after the grant of a certificate for leave to appeal, there shall be served on the petitioner an estimate with reference to (*a*) Parts I and II of the Paper-Book used in the appeal to the High Court and (*b*) the papers required to be added under rule 23, *post* excluding item (*vii*) of sub-rule (*2*) of the latter rule. The amount due on such estimate shall be deposited within the time limited by Order XLV, rule 7 of the Civil Procedure Code.

(*2*) In cases where Paper Books were not printed in the appeal before the High Court the applicant shall deposit a lump sum of Rs. 400 within the time limited by Order XLV, rule 7, Civil Procedure Code, on account of the cost of the preparation of the Paper Book. The estimate in such cases will be prepared and served as soon as possible, after the receipt of records and the filing of the lists by the parties. But the said deposit of Rs. 400 shall be made within the prescribed time irrespective of the service of estimate.

22. (*1*) If the appellant desires to include in Part I or II of the Paper Book used at the hearing of the appeal in the High Court any papers on which the decision of the appeal to the Federal Court depends, and which have not already been included in the Paper Book, or to exclude therefrom any papers on the ground that they are irrelevant to the subject-matter of the appeal to the Federal Court, he shall, within one week from the date of service upon him of the notice under rule 19, apply to the Registrar for an order accordingly and file with his application a complete list of the papers to be included in, or excluded from, the printed Paper Book; and he shall, at the same time, serve copies of his application and list on the appearing respondents.

(*2*) Within one week from the date of the receipt by them of copies of the application and list mentioned in clause (*1*) the appearing respondents shall, if they so desire, file a similar application and list and simultaneously serve copies thereof on the appellant.

(*3*) (*a*) In cases in which no printed Paper Books have been prepared the appellant shall file a complete list of the papers which he wishes to include in Parts I and II of the Paper Book within two weeks of the service of notice under rule 19 and shall simultaneously serve a copy thereof on the appearing respondents who shall thereupon prepare and file their lists within one week of the receipt of the appellant's list and simultaneously serve copies thereof on the appellant.

(*b*) If any party considers that any paper, or portion thereof, should be included in, or omitted from the lists, he may within one week from the receipt of a copy of the lists of the other side, and after giving notice to the other side of his intended application, apply to the Registrar for an order that such paper, or portion thereof, should be inserted in the Paper Book, or be omitted therefrom.

Such applications shall bear a certificate under the hand of the Advocates presenting them to the effect that the inclusion of the papers specified in their respective lists is necessary in order to the decision of the appeal, or that the papers are irrelevant and should be excluded from the printed record required for the Federal Court.

(*4*) It shall be competent to the Registrar to pass any orders which, with reference to the said applications, he may consider proper, and any costs incurred on this account shall be borne in such manner as the Registrar may direct: provided that if the Registrar is unable to arrive at any conclusion as to whether a document should be included or not, and as to which party should bear the cost of inclusion of any document, he may make a note, which will form part of the Paper Book, to that effect.

(*5*) The Registrar may, upon a stamped application being made to him, extend the periods prescribed in clauses (*1*) to (*3*) of this rule.

23. Subject to directions issued from time to time by the Federal Court under rule 2 of Order X of the Federal Court Rules the record shall be prepared in accordance with the following rules:—

The additional documents should be printed strictly in chronological order and should be paged at the foot of each page in continuation of the previous paging of Part I, and shall contain brief marginal notes.

The parties shall agree to the omission of formal and irrelevant documents but the description of the documents may appear (both in the Index and in the Record) if desired, with the words "not printed" against it.

25. The estimate shall include the matters referred to in the preceding rule and be framed in accordance with the charges above specified. Any party who has filed a petition under Order XLV, rule 2, Civil Procedure Code, shall be required to pay the expenses actually incurred in connection with the preparation of the estimate, whether the appeal be admitted or not.

26. The applicant may, at the next sitting of the Registrar, object to such estimate, but such objection is not to delay the making of the deposit.

27. If it subsequently appears that the amount which either party has been required to deposit is insufficient to defray the cost of preparing his portion of the Paper Book, an estimate of the additional amount required shall be served on the party concerned. It shall be competent to the Registrar to pass any orders regarding the payment of such additional amount as he may consider proper.

28. All documents which are to be included in the transcript for the Federal Court, if not originally in English, shall be translated into that language.

Note.—"Documents" include evidence of witnesses.

29. In the case of Class B appeals the applicant shall furnish security for the costs of the respondent within the period prescribed by Order XLV, rule 7, Civil Procedure Code.

30. In all cases in which security is required to be deposited under Order XLV, rules 7, 10 and 14 of the Civil Procedure Code, it shall consist either of cash or Government securities to the extent of Rs. 4,000 (market value):

Provided that the Court at the time of granting the certificate may, after hearing any opposite party who appears, order on the ground of special hardship that some other form of security may be furnished:

Provided further that no such order shall be passed unless the opposite party has been served by the appellant with notice seven clear days before the date of hearing setting forth the nature of the security proposed to be furnished. No adjournment shall be granted to an opposite party to contest the nature of such security.

Note.—The security deposited in cash may be subsequently converted into Government securities and *vice versa*, under the orders of the Registrar to be obtained on an application duly stamped.

31. When, in the special circumstances of the case, the Court allows immoveable property to be accepted as security, the party finding the security shall file a mortgage bond, duly registered, together with a specification of the title to the property. Such bond shall be filed within the time limited by Order XLV, rule 7 of the Civil Procedure Code. When such bond has been filed, the Registrar shall, if the property be situate in Calcutta, refer the matter to the Registrar on the Original Side and if in the mufassal, to the Judge of the district in which the immoveable property offered as security is situate for the security to be tested.

32. Immediately upon the arrival of any report as to the sufficiency of any security a notice in the prescribed form shall issue to the parties concerned, specifying the nature of the case. All parties desirous of objecting to the report shall, within six days from the date of the notice, file their objections, if any, and serve a copy of the same upon the other parties to the appeal. All such objections will be disposed of at the next sitting but one of the Division Court after the arrival of the report.

33. If the security tendered be found insufficient by the Division Court, the appellant shall, within six weeks of the date of such finding, deposit Rs. 4,000 in cash, or Government securities to the extent of Rs. 4,000 (market value), or to such amount as will bring up the value of the security to Rs. 4,000.

34. In case the last day for making the deposit or giving the security under Order XLV, rules 7, 10 and 14, Civil Procedure Code, shall fall on a day upon which the office of the Court is closed, the deposit may be made, or the security given, upon the first day upon which the office re-opens.

35. When the deposit has been made and, in the case of Class B appeals, the security has been furnished in accordance with the provisions of Order XLV, rule 7, Civil Procedure Code, the petition shall be laid before the Court for orders as to the admission of appeal.

36. As soon as an appeal has been admitted an intimation of such admission shall be given by the Registrar of this Court to the Registrar of the Federal Court.

37. On receipt of a copy of the petition of appeal for service upon a respondent under rule 3 of Order X of the Federal Court Rules, intimation shall be given to the Advocate for the appellant calling upon him to put in the requisite process fees and notice forms duly filled in within a fortnight from the date of such intimation:

Provided that the Registrar may upon a stamped application being made to him extend the time for putting in the process fees and notice forms. Upon such process fees and notice forms being put in service upon the respondents shall be effected in the manner prescribed in rule 10(*f*) of this Chapter.

The appellant shall put in the necessary process fee and file notice forms [see Form No. 27 (Civil), page 196, Appendix I] duly filled up within a week from the date of admission of appeal or within such extended time as the Registrar may, upon a stamped application being made to him, allow.

40. After the despatch by this Court to the Federal Court of the transcript record in an appeal to the Federal Court, duly admitted by this Court, notice of such despatch shall, also at the cost of the appellant, be given by this Court to all respondents, whether they have entered appearance or not, and the Registrar of this Court shall, as soon as practicable thereafter, transmit to the Registrar of the Federal Court a certificate that such notice has been given to all the respondents.

The appellant shall put in the necessary process fee and file notice forms [see Form No. 28 (Civil), page 196, Appendix I] duly filled up within a week from the date of notice of the transcript record being ready for despatch or within such extended time as the Registrar may, upon a stamped application being made to him, allow.

41. All applications by, or on behalf of, an infant, or a person of unsound mind shall be made in the name of the infant or person of unsound mind by the person whose name is on the record as his next friend or guardian; and whenever any application is consented to or opposed by an infant or person of unsound mind, the infant or person of unsound mind shall in like manner be represented by the person who appears on the record as his next friend or guardian.

42. In case there is no next friend or guardian upon the record, a separate application for the appointment of a next friend or guardian must be made.

43. (*a*) When a party, who has been successful in an appeal to the Federal Court, applies for a certificate of the costs incurred in the appeal in this Court, the Deputy Registrar shall, upon production of the order of the Federal Court for the payment of such costs, prepare such certificate and place it on the record of the Federal Court appeal.

(*b*) A copy of the certificate will then be taken by the party in the usual way.

44. Any appeal in which steps have not been taken within the time prescribed by these rules, or such extended time as may have been allowed, shall be placed on the list before the Appeal Court on notice to the parties or their Advocates for orders to report to the Federal Court that the appeal has not been prosecuted with due diligence.

417A. (1) The following rules may be cited as the Provincial Insolvency (Supplementary) Rules, 1940:—

A. *Official Receivers.*

(2) The Official Receiver shall charge such commission and furnish such security as the Provincial Government, in consultation with the District Judge, may direct.

(3) The Official Receiver shall be under the administrative control of the District Judge, who shall fix a time and place for the performance of his duties.

(4) Subject to the operation of these rules, the provisions of Rule 417, Civil Rules and Orders, shall apply to the Official Receiver as to any other Receiver.

(5) The provisions of Rules 65-96, inclusive of Order XXI, Civil Procedure Code, 1908, and of Rules 241, 242 and 247, Civil Rules and Orders, shall *mutatis mutandis* apply to all sales of property conducted by the Official Receiver, who directly or indirectly shall neither bid at any such sale nor acquire an interest in any such property.

(6) The accounts of the Official Receiver shall be audited annually by the Accountant-General, Bengal, or the Examiner of Local Accounts, Assam, as the case may be, who shall submit an audit report through the District Judge to the Provincial Government; and the cost of such audit shall be met by charging upon the gross annual realizations of such estate in the hands of the Official Receiver an audit fee to be fixed by the Provincial Government.

(8) All monies realized by the Official Receiver shall be paid by him into the Government Treasury on the day of receipt if possible, or on the morning of the next working day; provided that monies realized on tour shall be so paid not later than on the morning of the working day next following his return to headquarters.

(9) Collections representing audit fees or the commission and travelling allowance fees of the Official Receiver shall be credited by chalan to such account as the Provincial Government may direct; and all other collections shall be separately credited by chalan to a personal ledger account to be opened in the name of the District Judge.

(*c*) One copy of every bill so countersigned shall be retained by the Official Receiver for the purposes of audit.

(11) (*a*) No expenditure above Rs. 10 from the personal ledger account shall be incurred except on the written order of the District Judge; and no expenditure shall be incurred for any estate without sufficient liquid assets to meet such expenditure, unless a creditor deposits the required amount.

(15) The Treasury shall, in respect of the personal ledger account standing in the name of the District Judge, issue a pass book in which entries shall be made twice in every month; and at the close of every month, the sheristadar of the District Judge shall compare such entries with the entries in the Official Receiver's Cash Book, and shall reconcile the difference, if any, between the pass book and the Cash Book entries.

(16) All cheques not cashed within ninety days of the date of issue shall be cancelled and stopped by the District Judge, and no fresh cheque shall be issued until the cancelled cheque has been returned by the payee.

(17) The Official Receiver shall have a permanent advance of Rs. 100 from the personal ledger account, and shall recoup expenditure from such advance by presenting bills and vouchers to the District Judge, who, after checking the same, shall issue in favour of the Official Receiver a cheque for the amount passed.

(20) A member of the Committee may resign his office by written notice delivered to the Receiver, and shall vacate it if he becomes insolvent or compounds or arranges with his creditors, or if he is absent from five consecutive meetings of the Committee, or if a majority of the insolvent's creditors who have proved their debts resolve that he be removed; and a vacancy occurring under this rule shall be filled in the manner provided in Rule 19.

(21) No defect or irregularity in the election of any member shall invalidate any act done by him as a member in good faith.

(25) No member of the Committee shall, except with the permission of the Court, either directly or indirectly, by himself or by any other person, purchase any part of the insolvent's estate, or derive any profit out of any transaction arising out of the insolvency, or receive from the estate any payment for services rendered or goods supplied by him in connection with the administration thereof; and the Court may disallow any such purchase, and may recover from a member any such payment or profit.

(26) When services of a special nature, as distinct from ordinary duties, have been rendered by a member of the Committee in connection with the administration of an estate, the Court may allow him such remuneration as it thinks fit.

AND WHEREAS a draft of this Order was laid before Parliament in accordance with the provisions of sub-section (1) of Section one hundred and fifty-seven of the Act, and an Address has been presented to His Majesty by both Houses of Parliament praying that an Order may be made in the terms of this Order:

1. This Order may be cited as the Government of Burma (India-Burma Financial Settlement) Order, 1940.

2.—(1) The Interpretation Act, 1889, applies for the interpretation of this Order as it applies for the interpretation of an Act of Parliament.

(2) In this Order, unless the context otherwise requires, the following expressions have the meanings hereby respectively assigned to them, that is to say:—

N. AHMAD,
Registrar, University of Dacca.

Presidency College, Calcutta.

The 5th May 1940.

Admission—Session 1940-41.

The College re-opens on the 2nd July 1940.

1. Admission to the various classes begins immediately after the publication of the Calcutta University Examination results.

2. Candidates for admission should apply for the necessary admission forms, enclosing three-fourth anna postage stamps, and stating whether they are old students of the College or candidates seeking admission for the first time. The appropriate forms will then be sent.

3. These forms, duly filled in, should be submitted, as soon as possible, after the publication of the University Examination results. They should be addressed to the Principal (not by name) and the word "Admission" should be written on the cover. All candidates must submit their mark-sheets with their application forms.

Those obtaining the asterisk or letters of distinction in not less than two subjects in the Intermediate or three in the Matriculation Examination need not submit mark-sheets.

4. Presidency College students who pass the Intermediate and Degree Examinations and desire re-admission should note that unless they apply in the proper form with mark-sheets within a week of the publication of results, their prior claims to admission will not be recognised. Those who pass the Intermediate Examinations in the 2nd or 3rd Division will have no priority of claim to re-admission to the College in the third year classes. The admission of I.Sc.'s into B.A. class will go by merit. In case of admissions to the First Year Science Class, importance is attached to Additional Mathematics at the Matriculation.

5. No correspondence relating to admission to College or residence in the Eden Hindu Hostel will be attended to unless the application for admission is accompanied by postage stamps.

6. All Government of Bengal scholars are entitled to free tuition, but they will not be allowed to accept any other emoluments or concessions equivalent to emoluments without the approval of the Director of Public Instruction, Bengal. Seven Junior Second Grade Scholarships are specially attached to the College, of which four are reserved for Muslims and three are general. There are also two similar scholarships, one is tenable by Scheduled Caste students and the other by non-Scheduled Caste Hindu students, in alternate years. All these special scholarships are tenable by Matriculates from Calcutta or the districts of Howrah and 24-Parganas.

There are 70 part-free studentships attached to the College. Of these 60 of the value of Rs. 7 per mensem are awarded to Undergraduate students and 10 of the value of Rs. 8 per mensem to Post-graduate students. Normally half the number is available for fresh award every year.

Applications for these are received at the time of admission or in July, after the admissions are over. The award is made about the middle of August, with restrospective effect from the beginning of the session, for one year in the first instance, subject to the usual conditions of satisfactory progress and good conduct.

7. There are about 50 special concessions of Rs. 7 in fees for Muslim students of the first and third year classes and about 15 Mohsin Stipends of Rs. 7 for first and third year classes and about 3 of Rs. 8 for the fifth year classes.

Official Papers.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 11th May 1940.

Third and Final Forecast of the Spring Oilseed Crops of Bengal, 1939-40.

(*Note.*—On an average of the five years ending 1937-38, the area under linseed in Bengal has represented some 3·3 per cent. and that of rape and mustard 12·4 per cent. of the total area under these crops in India.)

Character of the season.—After the issue of the second forecast, the weather and its effects on the crops was not favourable. Some damage was done to the crops by drought and insect-pests and thus reduced the outturn in a number of districts.

Area sown.—Oilseeds are chiefly grown in the Dacca, Rajshahi and Presidency Divisions. In the other two divisions the cultivation is not extensive. The total area under the crops (excepting sesamum for which separate forecasts are issued) is returned at 965,200 acres as against 978,000 acres last year.

Outturn.—From the District Officers' estimates, the provincial outturn of the different oilseed crops works out at 7·3 per cent. of the normal as against 7·6 per cent. last year.

Taking 6¾ths maunds as the normal yield per acre for linseed, 7 maunds for rape and mustard and 4¼ maunds for other oilseeds, the total yields of the crops for the province is estimated at 176,900 tons this year as against 186,600 last year.

M. CARBERY,
Director of Agriculture, Bengal.

Calcutta, the 18th May 1940.

RESOLUTION—No. 844P.H.

In accordance with this department resolution No. 525P.H., dated the 21st April 1939, the period of management and control by the Provincial Government of the Joint Water Works of the Baranagar and Kamarhati Municipalities in the district of the 24-Parganas, expired on the 27th April 1940.

2. The Provincial Government took over the management and control on the strength of the resolutions passed in this behalf by both the municipalities. Since then the Baranagar Municipality has been persistently demanding the restoration of the water works to the Joint Water Supply Committee constituted by the said municipalities under section 87 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932). The Provincial Government is anxious to rid itself of the responsibility but it appears from the resolution since passed by the Kamarhati Municipality that the said municipality is not in favour of the restoration. Both the municipalities and specially the Baranagar Municipality intend to fix responsibility on the Chief Engineer, Public Health Department, Bengal, and consequently on the Provincial Government in the matter of administration of the water works. On the other hand, conditions which can bind either the Provincial Government or the Commissioners of the municipalities, cannot legally be imposed in re-transferring the management and control to the Committee. In these circumstances and with a view to placing the joint water works on a sound footing the Provincial Government has decided to continue the management and control of the water works for a further period of one year with effect from the said date, viz., the 27th April 1940. Accordingly, in exercise of the power conferred by section 285 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), the Governor is pleased to appoint the Chief Engineer, Public Health Department, to continue to be in charge of the control and management of the said joint water works with all plant, fittings and appurtenances thereof for the above period, viz., for one year with effect from the 27th April 1940.

3. Ordered that this resolution be published in the *Calcutta Gazette*.
